### WORK EXPERIENCE

#### Career Exploration Intern

Enterprise for Youth | June 2020 - July 2020

The summer of 2020, I was an intern at Enterprise remotely and was learning a lot about different careers through professionals across many fields. I gained resume, LinkedIn, interview, and networking skills through a variety of Zoom activities and mock interviews and was able to network with 70+ professionals on LinkedIn. I was able to do a mock interview with a network engineer at Salesforce and gained an insight to their job and life balance.

#### Assistant Intern

Anderson Capital | June 2019 - July 2019

During the summer of 2019, I worked with a board member of Enterprise for Youth and helped run his business. His business was an investment firm that specialized in entertainment investments, which I was able to successfully run multiple successful business deals. I gained time management skills through multiple intensive multitasking projects and advancement in quick decision making ability to keep up in my daily tasks. I also grew in accuracy and attention to detail to keep my job smooth and running to raise the profits even more.
